Society of  
Anaesthesiology

**ESA**

SOCIETY FOR  
**SAMBA** AMBULATORY  
ANESTHESIA

Renaissance Zurich Tower Hotel Information & Sign Up: [www.aaa2019.com](http://www.aaa2019.com)

# Ambulatory Anesthesia - Big potential and important challenges

- 4 out of 5 surgeries could be performed in an **ambulatory** setting
- **Adherence to security standards** & evaluation by quality management systems ensure highest quality performance

## Advantages of ambulatory setting:

- **less invasive** for the patient
- **attractive workplace:** autonomy, close-working teams, good work-life balance
- economical efficiency

## The Symposium offers:

- **16 credit points by SGAR/SSAR**
- lectures, workshops, case discussions, presentation of technical advances
- insight into the future of an autonomous day-care clinic
